Low-Income Housing is Available Now in St. Croix!

The waiting list for public housing in St. Croix is now open! The Virgin Islands Housing Authority (VIHA) needs more potential residents. If you are a low-income individual or part of a low-income family and you need housing, please apply at one of our main offices:

- In St. Croix, the Leasing Division Office is temporarily located on the lower level of our Central Office at Aureo Diaz Heights in Estate Bethlehem; and
- In St. Thomas, our Central Office is located at #402 Anna's Retreat, up the road from the Curriculum Center.

You can also get a copy of our pre-application online at www.vihousing.org.

Right now, our waiting list is running short—especially for three- and four-bedroom units—so the wait for most units will not be very long.

We look forward to seeing your application for housing!
